SEPTEMBER 2017

Dear Pastor & Friends,

Fall will soon be upon us and I can't imagine where Summer has gone. I trust you have had a prosperous time in your churches with souls being saved. God is good beyond our dreams.

The first Sunday of the month we were in Deltona, Florida preaching for Pastor Chester Thrift at Temple Baptist Church. Brother Thrift was in Oklahoma preaching. I'm thrilled that he would have me fill in for him while he was out of town. The church has grown and an amazing number of people were back on Sunday evening. It is always special to be at Temple Baptist Church.

The last Sunday of the month we were at Bethesda Baptist Church in Palm Bay, Florida with Pastor James Waddell. He started the church and is meeting in an assisted living facility. We were there for an ordination service. Pastor Waddell was being ordained into the gospel ministry. It was our privilege to be a part of that ordination. Trusting that great things will take place in Brother Waddell's minister for the years to come. May God bless him in his ministry. We were at First Baptist Church of South Brevard on Sunday evening for a great service.

Thank you each and everyone for your prayers and financial support. Your faithfulness is beyond measure. THANK YOU! May God continue to bless you in every effort.

Because of His Grace,

Glenn M. Stockton
